#### Item A: Student Activities Committee Grant Funding Application: Dance Club

Club or Society Club

Club or Society name: Dance

How much of the grant would you like to apply for? £350

Is your club/society contributing anything towards this cost? If so how much? no

**What would you like to spend this grant on? Please include a break down of how the money will be spent.**

This money will be used to help with travel to northumbria dance competition.  
The money asked for will fully go towards the cost for a coach to transport 13 dancers and costumes/props.

**Why do you require this grant? Please be specific.**

This grant is required due to a change in previous travel plans. Travel was organised prior and worked around budget but due to unforeseen circumstances this situation changed. Due to the competition being 1 week away, it's become difficult to refigure travel plans. Due to our limited budget if we are to use this money for a last minute coach, the dance club will struggle with funds for next year as we wanted to leave a secure amount in the pot.

As a club , we are already funding ourselves to get to Carnegie competition and have made our own travel plans for this day, to help save funding.

**If successful, how would this grant develop your club/society?**

If successful, this will allow us to have enough funding to keep us afloat for next year and won't leave the new committee taking over in a difficult position.  
It will also allow us easier travel to northumbria as it would be private.

**Current club/society bank balance?**
