The LTSU website is hard to navigate

The website has a new fresh look and clearer organisation

LTSU branding needs to be more present

We have new logos for each department of LSTU and a new colour palette

We don't really know the faces behind LTSU

We have more staff joining LTU events around campus and featuring staff in our social media content

Students wanted more accessible ways to be a Course Rep

LTSU has created an Online training platform that can be accessed from any device

Students wanted more LTSU Advice service awareness

LTSU launched new
LTSUAdvice social
media accounts and
have introduced new
marketing for the
service

Student group leaders wanted better ways to communicate with Union staff

We created a Teams channel to grow our club and society community.

Students wanted Varsity back to LTU

We bought back Varsity with York Saint John for 2024!
LTSU supported students at Varsity with the Marketing Team offering live coverage for the first time throughout the day!

Be more sustainable and reduce disposable waste in the bar

Removed paper plates and replaced with crockery

Have more consistent opening times in The Student Bar

We have opened every night
5pm - 11pm
as advertised.

Offer a more diverse events programme

Over 40 events offered since September

Offer more
Alcohol-Free products

A wider range of Alcohol Free and soft drinks available and a new alcohol-free menu launched

Offer more
Halal Options

A new menu has launched offers halal food options.

Offer live music in The Student Bar

Our first live music gig is booked for January 2024

Improve pricing in The Student Bar

Reduced our prices to combat the COL crisis as much as we can.

Give more opportunities to students

Employed more student staff, with a new supervisor role.
Launched our Taste of Work scheme for volunteering and experience opportunities.

Have improved pool facilities

Installed two new cashless pool tables that have had over 1200 games played.
