

Leeds Trinity Students' Union Sickness Policy

1 Policy statement

- 1.1 This Sickness Absence Policy sets out our procedures for reporting sickness absence and for the management of sickness absence in a fair and consistent way.
- 1.2 Sickness absence can vary from short intermittent periods of ill-health to a continuous period of long-term absence and have a number of different causes (for example, injuries, recurring conditions, or a serious illness requiring lengthy treatment).
- 1.3 We wish to ensure that the reasons for sickness absence are understood in each case and investigated where necessary. In addition, where needed and reasonably practicable, measures will be taken to assist those who have been absent by reason of sickness to return to work.
- 1.4 This policy does not form part of any employee's contract of employment and it may be amended at any time. We may also vary the procedures set out in this policy, including any time limits, as appropriate in any case.

2 Who is covered by the policy?

This policy covers employees all at all levels of the organisation.

3 Disabilities

- 3.1 We are aware that sickness absence may result from a disability. At each stage of the sickness absence meetings procedure (set out in Paragraph 12 of this policy), particular consideration will be given to whether there are reasonable adjustments that could be made to the requirements of a job or other aspects of working arrangements that will provide support at work and/or assist a return to work.
- 3.2 If you consider that you are affected by a disability or any medical condition which affects your ability to undertake your work, you should inform your line manager.

4 Sickness absence reporting procedure

- 4.1 You should refer to your contract for details of our sickness absence reporting procedure. Within your contract this typically includes calling your line manager. Such calls should include you making them aware of anything that requires covering in your absence.
- 4.2 Line managers should ensure that:

- 4.2.1 Any sickness absence that is notified to them is recorded and reported to the General Manager
- 4.2.2 Arrangements are made, where necessary, to cover work and to inform colleagues and clients (while maintaining confidentiality).
- 4.3 You should expect to be contacted during your absence by your Line Manager or General Manager who will want to enquire after your health and be advised, if possible, as to your expected return date.

5 **Evidence of incapacity**

- 5.1 For sickness absence of **up to** seven calendar days you must complete a self-certification form which is available online at www.ltsu.co.uk/staff
- 5.2 For absence of more than a week you must obtain a certificate from your doctor (a “Statement of Fitness for Work”) stating that you are not fit for work and the reason(s) why. This should be forwarded to your line manager as soon as possible. If your absence continues, further medical certificates must be provided to cover the whole period of absence.
- 5.3 If your doctor provides a certificate stating that you “may be fit for work” you should inform your line manager immediately. We will discuss with you any additional measures that may be needed to facilitate your return to work, taking account of your doctor’s advice. This may take place at a return to work interview (see Paragraph 10). If appropriate measures cannot be taken, you will remain on sick leave and we will set a date to review the situation.
- 5.4 Where we are concerned about the reason for absence, or frequent short-term absence, we may require a medical certificate for each absence regardless of duration. In such circumstances, we will cover any costs incurred in obtaining such medical certificates, for absences of a week or less, on production of a doctor’s invoice.

6 **Unauthorised absence**

- 6.1 Cases of unauthorised absence will be dealt with under our Disciplinary Procedure.
- 6.2 Absence that has not been notified according to the sickness absence reporting procedure will be treated as unauthorised absence.

- 6.3 If you do not report for work and have not telephoned your line manager to explain the reason for your absence, your line manager will try to contact you, by telephone and in writing if necessary. This should not be treated as a substitute for reporting sickness absence.

7 Sick pay

- 7.1 Where your contract has preferential details of sick pay to which you are entitled this will be followed. Otherwise the following approach is taken. LTSU will continue to pay you when you are off sick. The amount you receive depends on a number of factors including your length of service and the length of time that you have been off sick.
- 7.2 LTSU sick pay is inclusive of Statutory Sick Pay. This means that you will not receive any money in addition to the amount outlined below.
- 7.3 If you go off sick, any sick pay that you have already received in the previous 52 weeks will be deducted from your entitlement.
- 7.4 Term time only staff will receive sick pay if they fall ill during term time (i.e. whilst they are due to be working).
- 7.5 LTSU's position on sick pay is set out as so:

Period of continuous service on first day of absence	Full pay	Half pay
After 6 months but less than 12 months	1 month	2 months
Over 1 year and up to 2 years	2 months	3 months
Over 2 years and up to 3 years	3 months	4 months
Over 3 years and up to 4 years	4 months	5 months
Over 4 years	5 months	6 months

8 Keeping in contact during sickness absence

- 8.1 If you are absent on sick leave you should expect to be contacted from time to time by your line manager in order to discuss your wellbeing, expected length of continued absence from work and any of your work that requires attention. Such contact is intended to provide reassurance and will be kept to a reasonable minimum.
- 8.2 If you have any concerns while absent on sick leave, whether about the reason for your absence or your ability to return to work, you should feel free to contact your line manager at any time.

9 Medical examinations

- 9.1 We may, at any time in operating this policy, ask you to consent to a medical examination by a doctor nominated by us.
- 9.2 You will be asked to agree that any report produced in connection with any such examination may be disclosed to us and that we may discuss the contents of the report with our advisers and the relevant doctor.

10 Return-to-work interviews

- 10.1 If you have been absent on sick leave for more than 2 days we may arrange for you to have a return-to-work interview with your line manager.

- 10.2 A return-to-work interview enables us to confirm the details of your absence. It also gives you the opportunity to raise any concerns or questions you may have, and to bring any relevant matters to our attention.
- 10.3 Where your doctor has provided a certificate stating that you “may be fit for work” we will usually hold a return-to-work interview to discuss any additional measures that may be needed to facilitate your return to work, taking account of your doctor’s advice.

11 Returning to work from long-term sickness absence

- 11.1 We are committed to helping employees return to work from long-term sickness absence. As part of our sickness absence meetings procedure (see Paragraph 12), we will, where appropriate and possible, support returns to work by:
- 11.1.1 Obtaining medical advice;
 - 11.1.2 Making reasonable adjustments to the workplace, working practices and working hours;
 - 11.1.3 Considering redeployment; and/or
 - 11.1.4 Agreeing a return to work programme with everyone affected.
- 11.2 If you are unable to return to work in the longer term, we will consider whether you are entitled to any benefits under your contract and/or any insurance schemes we operate.

12 Sickness absence meetings procedure

- 12.1 We may apply this procedure whenever we consider it necessary, including, for example, if you:
- 12.1.1 Have been absent due to illness on a number of occasions;
 - 12.1.2 Have discussed matters at a return to work interview that require investigation; and/or
 - 12.1.3 Have been absent for more than 5 days.
- 12.2 Unless it is impractical to do so, we will give you reasonable written notice of the date, time and place of a sickness absence meeting. We will put any concerns about your sickness absence and the basis for those concerns in writing or otherwise advise why

the meeting is being called. A reasonable opportunity for you to consider this information before a meeting will be provided.

- 12.3 The meeting will be conducted by your line manager. You may bring a companion with you to the meeting.
- 12.4 You must take all reasonable steps to attend a meeting. Failure to do so without good reason may be treated as misconduct. If you or your companion are unable to attend at the time specified you should immediately inform your line manager who will seek to agree an alternative time.
- 12.5 A meeting may be adjourned if your line manager is awaiting receipt of information, needs to gather any further information or give consideration to matters discussed at a previous meeting. You will be given a reasonable opportunity to consider any new information obtained before the meeting is reconvened.
- 12.6 Confirmation of any decision made at a meeting, the reasons for it, and of the right of appeal will be given to you in writing within 5 working days of a sickness absence meeting (unless this time scale is not practicable, in which case it will be provided as soon as is practicable).
- 12.7 If, at any time, your line manager considers that you have taken or are taking sickness absence when you are not unwell, they may refer matters to be dealt with under our Disciplinary Procedure.

13 **Stage 1: first sickness absence meeting**

- 13.1 This will follow the procedure set out in paragraph 12 on the arrangements for sickness absence meetings.
- 13.2 The purposes of a first sickness absence meeting may include:
 - 13.2.1 Discussing the reasons for absence.
 - 13.2.2 Where you are on long-term sickness absence, determining how long the absence is likely to last.
 - 13.2.3 Where you have been absent on a number of occasions, determining the likelihood of further absences.
 - 13.2.4 Considering whether medical advice is required.

13.2.5 Considering what, if any, measures might improve your health and/or attendance.

13.2.6 Agreeing a way forward, action that will be taken and a time-scale for review and/or a further meeting under the sickness absence procedure.

14 Stage 2: further sickness absence meeting(s)

14.1 Depending on the matters discussed at the first stage of the sickness absence procedure, a further meeting or meetings may be necessary.

14.2 The purposes of further meeting(s) may include:

14.2.1 Discussing the reasons for and impact of your ongoing absence(s).

14.2.2 Where you are on long-term sickness absence, discussing how long your absence is likely to last.

14.2.3 Where you have been absent on a number of occasions, discussing the likelihood of further absences.

14.2.4 If it has not been obtained, considering whether medical advice is required. If it has been obtained, considering the advice that has been given and whether further advice is required.

14.2.5 Considering your ability to return to/remain in your job in view both of your capabilities and our business needs and any adjustments that can reasonably be made to your job to enable you to do so.

14.2.6 Considering possible redeployment opportunities and whether any adjustments can reasonably be made to assist in redeploying you.

15 Stage 3: final sickness absence meeting

15.1 Where you have been warned that you are at risk of dismissal, we may invite you to a meeting under the third stage of the sickness absence procedure.

15.2 The purposes of the meeting will be:

15.2.1 To review the meetings that have taken place and matters discussed with you.

15.2.2 Where you remain on long-term sickness absence, to consider whether there have been any changes since the last meeting under stage two of

the procedure, either as regards your possible return to work or opportunities for return or redeployment.

15.2.3 To consider any further matters that you wish to raise.

15.2.4 To consider whether there is a reasonable likelihood of you returning to work or achieving the desired level of attendance in a reasonable time.

15.2.5 To consider the possible termination of your employment.

15.3 Termination will normally be with full notice or payment in lieu of notice.

16 Appeals

16.1 You may appeal against the outcome of any stage of this procedure.

16.2 An appeal should be made in writing, stating the full grounds of appeal, to your line manager with 5 working days of the date on which the decision was sent to you.

16.3 Unless it is not practicable, you will be given written notice of an appeal meeting within one week of the meeting. In cases of dismissal the appeal will be held as soon as possible. Any new matters raised in an appeal may delay an appeal meeting if further investigation is required.

16.4 You will be provided with written details of any new information which comes to light before an appeal meeting. You will also be given a reasonable opportunity to consider this information before the meeting.

16.5 Where practicable, an appeal meeting will be conducted by a manager senior to the individual who conducted the sickness absence meeting.

16.6 Depending on the grounds of appeal, an appeal meeting may be a complete rehearing of the matter or a review of the original decision.

16.7 Following an appeal the original decision may be confirmed, revoked or replaced with a different decision. The final decision will be confirmed in writing, as soon as reasonably possible following the appeal meeting. There will be no further right of appeal.

16.8 The date that any dismissal takes effect will not be delayed pending the outcome of an appeal. However, if the appeal is successful, the decision to dismiss will be revoked with no loss of continuity or pay.

17 **Monitoring and review of the policy**

17.1 This policy is reviewed every two years with the opportunity for input and consultation with employees.

17.2 We will monitor the development and dissemination of good practice to ensure that this policy and the sickness absence meetings procedure are achieving their stated objectives.
